How to use this catalog

SCAN · VIEW · REQUEST

Every product has its own QR code.

Point your phone camera at it to open the product page with full specifications, photos and DMX modes. Download fixture libraries for grandMA2, grandMA3, ChamSys MagicQ and Avolites Tiger Touch, and request a price with one tap.

Or browse everything at catalog.luxiko.be

01

Scan

Open your phone camera and point it at the QR code next to the product.

02

Explore

See every specification, extra photos and download console libraries.

03

Request a quote

Tap the quote button, fill in the quantity and we reply fast.

Three series, one standard

B

Budget series

Entry level. Lowest cost per fixture for clubs, bars and mobile DJs.

S

Standard series

Workhorse rental stock. Better build, brighter output, more DMX modes.

P

Premium series

Top of the range. Highest output, full feature set, mostly IP rated.

Within each category, products are listed Budget, Standard, then Premium, and from the lowest to the highest IP rating. All prices on request.

Reading the product codes

MV S 720 S 1317

FAMILY

SERIES

WATTS

OPTIC

COLOUR + GOBO WHEELS

Optic letter

B

Beam — tight parallel beam, gobo and colour wheels

W

Wash — even soft field, no gobos

H

Hybrid — beam / spot / wash in one head

Z

Zoom — motorised zoom, LED multi-cell engine

P

Profile / Spot — shutter framing or fixed profile optics

F

Framing — full framing shutter system

S

Special — bar format, double sided or multi-head effects

X

General — no dedicated optic (flat par, strobe, machine, accessory)

IP rating

IP20

Indoor only. No protection against water.

IP25

Indoor. Protected against dripping water at an angle.

IP54

Covered outdoor. Dust protected, splash proof.

IP56

Covered outdoor. Dust protected, resists powerful jets.

IP65

Outdoor. Dust tight, protected against water jets.

IP66

Outdoor. Dust tight, heavy seas and strong jets.

OUTDOOR

Sold as outdoor by the maker, no IP number stated.

IP N/A

No IP rating stated. Treat as indoor only.
